

Kids to Parks Day - Saturday, May 17, 2014 - 8:45 AM - 12:30 PM

Children, families, teachers, towns, and parks are gearing up for this year's Kids to Parks Day, a nation-wide day of outdoor play. This year's KTP Day will be held on May 17, the Saturday before Memorial weekend.

National Parks Trust is encouraging children across the country to explore their neighborhood parks and discover the history, nature and adventure right around the corner or just across town.

Boneshaker Project, whose mission it is to get kids outside, playing, and feeling strong early in life is proud to be participating with **National Park Trust** on this day! We want to share Austin's amazing parks and community organizations with kids of all ages. We will explore Zilker Park Trails and meet with collaborators and other community organizations and businesses. *We'll finish the ride with a family picnic in the park. Bring your coolers full of healthy foods, drinks and a blanket or camping chairs!*

To register for our **FREE** event, find us on [Eventbrite](#)! You can register for t-shirt, or reserve a Boneshaker Bike for the day (free)!
